

# WITHDRAWAL POLICY

To ensure a secure and efficient withdrawal process, all withdrawal requests are subject to the following conditions:

1. **Cleared Monthly Fees**

All outstanding monthly fees must be settled in full prior to the processing of any withdrawal request.

2. **Withdrawal Processing Fee (10%)**

A processing fee equivalent to 10% of the total withdrawal amount must be settled prior to disbursement.

3. **Refundable Security Deposit**

Investors are required to provide a refundable security deposit, which will be returned upon successful completion of the withdrawal process.

4. **Blockchain Transaction (Gas) Fee**

For cryptocurrency withdrawals, investors are responsible for covering the applicable Bitcoin network (gas) fees required to process the transaction.

5. **Valid Payment Details**

Provision of accurate and verifiable payment details is required for withdrawal processing:

- A valid Bitcoin (BTC) or USDT wallet address for cryptocurrency transactions, or
- A verified bank account for fiat currency disbursement.

***Important Notes***

- Withdrawal requests that fail to meet all specified requirements will not be eligible for processing.
- Processing timelines may vary based on network conditions, transaction load, and verification procedures.
- The platform reserves the right to conduct full verification of all submitted details prior to approval of any withdrawal request.
